Dishwasher/Washing Machine	Yes
Other Care Instructions	Product Care & Maintenance (2016 Hygiene Catalogue - Page 59)
Colors Available	Cappuccino
Anti-Microbial	No
Resin-Set DRS®	No
Country of Origin	UK
Stock Dimensions	317 x 36mm
Frame Material	Halal Approved Polypropylene
Fill Material	Halal Approved Polyester
Trim Length	57mm
Weight of Item	0.15kg
Labels, printing or Branding	Labels & Branding
PACKAGING	
Pack Size	6-splittable
Packaging Height	112mm
Packaging Length	390mm
Packaging Width	372mm
Packaging Weight (ex product)	0.11kg
Packaging Composition	Halal Approved Plastic Bag & Cardboard Box

Hill Brush Company Ltd, Woodlands Road, Mere, Wiltshire, BA12 6BS, England

Issue Date: 10/01/2015

Compliance

Halal Authority Board

All environments and materials used in the production of the Halal Approved range have been audited and certified by the Halal Authority Board. Hill Brush have sourced fully certified Halal approved materials, which has included the re-working of our polypropylene supplier to ensure full compliance is met. Manufacturing procedures and processes were then changed and adapted to meet the criteria of the stringent audit. This included new working instructions, cleaning routines, packaging materials and new approved work ware and safety equipment. The Halal Authority board then audited and certified our Halal Approved hygiene tools.

General

Salmon Hygiene Technology Products comply with:

- FDA (Food and Drug Administration in the USA)
- European Commission Regulation (EC)
- FEIBP (European Brush ware Federation)

All Salmon Hygiene Technology products are made using FDA Approved raw materials. Code of Federal Regulations:

- 21 CFR 177.1520
- 21 CFR 176.170
- 21 CFR 177.1660
- 21 CFR 177.1500

European Commission Regulation (EC)

Salmon Hygiene Technology products comply with the requirements of the European Commission Regulation 1935/2004/EC (Framework Regulation). Regulation 2002/72/EC. Regulation 2023/2006 and Regulation 10/2011/EC and subsequent amendments and updates.

(Under Regulation 10/2011/EC Materials intended to come into contact with foodstuffs are not allowed to transfer toxic substances via migration when in contact with food. Salmon Hygiene Technology products are specifically designed for the food industry, and are 100% compliant with this requirement. All our products have been tested by a certified laboratory, furnishing documentation that our products are complying with the migration limits laid down by EU legislation, set up under regulation 10/2001/EC).

FEIBP

Salmon Hygiene Technology products comply with the European Brush Manufacturers Professional Hygiene Brush Charter, which promotes high quality professional brushware, and they comply with all existing Hygiene Regulations.

Chemical Resistance

Concerning chemical capability of the plastics used in Salmon Hygiene Technology products, we confirm that the products resist all approved detergents and sanitizers used, according to the dosing recommendations.

ISO Standards

The Hill Brush Company Limited are certified in accordance with ISO 9001-2008
